

Below you will find your grade and required reading list for the summer. Each student is to read the mandatory grade book that is bolded and two other books, of their choice, from the list. They will then write a report, (attached), on all three books. This can be broken down to a book a month. These books can be found in the Leon County Public Library, Wal-mart, Borders and Barnes and Nobles. ENJOY!

3rd GRADE SUMMER READING LIST
